

SEMP FY17 Summary Reports: Objective Average Quarterly and Annual Performance Results

Objective Name	Average Performance Within Objective
Objective 1-1: Maneuver Damage Control Program.	Green (0.94)
Objective 1-2: Land Rehabilitation and Maintenance.	Green (0.80)
Objective 1-3: Water Resource Protection / Stream Crossing and Sediment Basin Maintenance	Amber (0.57)
Objective 2-1: Red-Cockaded Woodpecker (RCW) Population Recovery.	Green (0.83)
Objective 2-2: Longleaf Pine Forest Management.	Amber (0.37)
Objective 2-3: Louisiana Pine Snake Conservation..	Green (0.86)
Objective 2-4: Bog Management.	Green (1.0)
Objective 3-1: Integration of Master Planning, Engineering and Environmental Concerns (Sustainable Facility Site Selection and Development, Energy and Water Conservation)	Green (0.75)
Objective 3-2: Environmental Compliance for Fort Polk Construction Projects on KNF Lands	N/A
Objective 4-1: Hunting and Other Recreational Opportunities	Green (0.92)
Objective 4-2: Quality of Life for Installation Neighbors – Noise, Wildfires and Road Conditions	Green (0.84)
Objective 4-3: Limited Use Area Safety and Land Use Compatibility	Green (1.00)
Objective 5-1: Continuous Improvement (Joint Mitigation and Monitoring)	Red (0.00)
Objective 5-2. Continuous Improvement (Adaptive Management)	Green (0.75)

SEMP FY17 Summary Reports: Percent of Metrics with Green, Amber and Red Annual Results

Objective Name	Percent of Metrics*		
	% Green	% Amber	% Red
Objective 1-1: Maneuver Damage Control Program.	96%	4%	0%
Objective 1-2: Land Rehabilitation and Maintenance.	80%	0%	20%
Objective 1-3: Water Resource Protection / Stream Crossing and Sediment Basin Maintenance	71%	0%	29%
Objective 2-1: Red-Cockaded Woodpecker (RCW) Population Recovery.	67%	33%	0%
Objective 2-2: Longleaf Pine Forest Management.	25%	25%	50%
Objective 2-3: Louisiana Pine Snake Conservation..	71%	29%	0%
Objective 2-4: Bog Management.	100%	0%	0%
Objective 3-1: Integration of Master Planning, Engineering and Environmental Concerns (Sustainable Facility Site Selection and Development, Energy and Water Conservation)	75%	0%	25%
Objective 3-2: Environmental Compliance for Fort Polk Construction Projects on KNF Lands	N/A	N/A	N/A
Objective 4-1: Hunting and Other Recreational Opportunities	83%	0%	17%
Objective 4-2: Quality of Life for Installation Neighbors – Noise, Wildfires and Road Conditions	68%	4%	29%
Objective 4-3: Limited Use Area Safety and Land Use Compatibility	100%	0%	100%
Objective 5-1: Continuous Improvement (Joint Mitigation and Monitoring)	0%	0%	100%
Objective 5-2. Continuous Improvement (Adaptive Management)	75%	0%	25%
SEMP FY17 Total	76%	7%	17%

* Includes only those metrics with Green/Amber/Red performance criteria; metrics with “data only” observations not included in totals. Totals may differ from 100% due to rounding.
